St. Paul, Minn.—Just as the brindle
cow owned by Abe Mark was about
to step on a scale for the last time
at the South St. Paul yards the ani-
mal's voice was recognized by Mr.
Mark, who hastened to the rescue.
"That's my cow," he said. The

Truck Replaced Three Teams

In eleven months this three-ton KisselKar Truck covered in actual service
4,760 miles at a fuel cost of \$1.08 per day. Manned by a driver and one helper,
it replaced three teams of horses. The average daily burden was 37 17.20ths
tons. It carried an average load of four tons—one ton overload—but in the en-
tire period named, was laid up only two and one-half hours for repairs.

"We can recommend the KisselKar Truck and assure that it lives up to its
guarantee," writes Thomas E. Fleischer, manager of the Sheboygan Lime Works.

Two and one-half hours for repairs, carrying over 37 tons per day is a record worthy
of notice. KisselKar Trucks cost little to maintain and are economical to operate because
the problem is solved in KisselKar construction.

Note these striking KisselKar features—Simple engine—easy to operate—reserve power—
excess capacity—differential lock preventing one drive wheel absorbing all the power on
slippery places, and stalling the truck—four speed transmitters geared up—fourth speed
permitting high speed when desired without racing engine; 15 to 20 per cent. lower fuel
consumption than average trucks—light spring suspension for power plant, heavy spring
suspension for load—gauge that weighs load—greatest accessibility—easy control—larger
brake drums, and extra powerful brakes—special bodies designed to meet every need.

KisselKar Trucks

1500 lbs.-1-2-3-4 and 5 Tons

In the range of capacity, 1500 lbs. to 5 tons, you can find just the type that fills your
requirements—and with the KisselKar Truck goes the KisselKar Service, which is the
manufacturer's guarantee of satisfaction.

KisselKar Service means taking off your hands all of the mechanical details.
A special service building is maintained in this city for the benefit of KisselKar owners.
The KisselKar service is a broad and comprehensive arrangement between manufacturer and
owners that cares for the car, maintains efficiency, retards depreciation and minimizes up-
keep. This service is a valuable consideration in the purchase of a power wagon. Investi-
gate it.

Ask us to analyze your present horse haulage as compared to motor haulage. The re-
sult will be interesting.

HUSBAND RESCUED DESPAIRING WIFE

After Four Years of Discouraging
Conditions, Mrs. Bullock Gave
Up in Despair. Husband
Came to Rescue.

Patron, Ky.—In an interesting letter
from this place, Mrs. Bettie Bullock
writes as follows: "I suffered for four
years, with womanly troubles, and during
this time, I could only sit up for a little
while, and could not walk anywhere at
all. At times, I would have severe pains
in my left side.

The doctor was called in, and his treat-
ment relieved me for a while, but I was
soon confined to my bed again. After
that, nothing seemed to do me any good.

I had gotten so weak I could not stand,
and I gave up in despair.

At last, my husband got me a bottle of
Cardui, the woman's tonic, and I com-
menced taking it. From the very first
dose, I could tell it was helping me. I
can now walk two miles without tire-

tiring me, and am doing all my work."
If you are all run down from womanly
troubles, don't give up in despair. Try
Cardui, the woman's tonic. It has helped
more than a million women, in its 50
years of continuous success, and should
surely help you, too. Your druggist has
sold Cardui for years. He knows what
it will do. Ask him. He will recom-
mend it. Begin taking Cardui today.
